

From the desk of
W. THOMAS HOYT

R.F.G.
S.C.S.

This is a Conference that
we should cover.

My feeling would be
to have RCH and HM
both go this year and
write a report on the
meeting. RCH could then
be phased out in 1985.
This same procedure
could be used for the
Tobacco Chemists Conf., etc.

*Good
idea.
